OVERVIEW OF OUR ROOMS AT VILLA RISSEN

As a conference centre and event location VILLA RISSEN offers a wide range of possibilities for your conventions, your seminars and other events. It is furthermore an exceptional location for weddings, summer parties, birthday parties or business anniversaries.

VILLA RISSEN, a place for ideas, communication and encounters, is only 30 minutes away from the city of Hamburg, but still located amidst greenery. It is thus the perfect place for undisturbed conferences and boisterous parties. Our premises offer relaxing views on our adjacent park and invite you for vitalising breaks on their roof terraces.

Our nine convention rooms are equipped with state-of-the-art conference and presentation technique and suitable for 10 to 140 guests. The common rooms which merge into each other, can accommodate up to 300 people for receptions, sales presentations and other large scale events. Our locations are disability friendly.

During your events we will be on hand with help and advice for you and support you and your guests professionally on-site. We would also be happy to prepare custom-tailored programmes for your events.

For wedding couples VILLA RISSEN offers civil and secular marriage services – either inside our premises or under the open sky.

Convince yourself from VILLA RISSEN and make use of our versatility.

FIREPLACE ROOM

Our FIREPLACE ROOM is located on the ground floor and perfectly suitable for workshops, informal meetings, receptions and smaller dinners. This room also invites for a cup of tea or a glass of wine by the fire at the end of a day.

THINKBOX GERHARD MERZYN

The THINKBOX GERHARD MERZYN on the ground floor adjoins the FIREPLACE ROOM. Up to 12 people can find room for a workshop a board meeting or a separate, exclusive banquet.

MICHAEL-OTTO-SAAL

The MICHAEL-OTTO-SAAL is our main room for events on the ground floor for receptions, presentations and open discussions for up to 200 people. It is also perfectly suitable for gala dinners on round tables of up to 100 people. Through its three panorama windows facing south it is awash with light and from its terrace the MICHAEL-OTTO-SAAL offers a picturesque view on our garden and apple trees. Through a side entrance it can be perfectly combined with barbecues on our adjacent grill area.

Similarly, its vestibule with a mobile bar in combination with the THINKBOX GERHARD MERZYN and entrance area is perfectly suitable for buffets and can alternatively be used as dance floor. Our whole ground floor is thus a wonderful venue for weddings, receptions and other large events.

SEMINAR ROOM ERIK BLUMENFELD

Many of our guests refer to this room as 'boardroom' since they predominantly use it for board meetings, executive meetings and strategy workshops. ERIK BLUMENFELD is located on the first floor, which is accessible through an elevator, and has its own roof terrace with parasols and lounge furniture.

On the other side ERIK BLUMENFELD offers a prime atmosphere for medium-sized festivities and dinners with your friends and family.

SEMINAR ROOM HERMAN KAHN

The seminar room HERMAN KAHN is one of three conference rooms in the wooden truss of our second floor. With its high ceiling, sound-optimised architecture and adjoining roof terrace it offers a wonderful atmosphere and is in particularly great demand during summer time. Our second floor is of course accessible through an elevator.

LIBRARY

Our LIBRARY is also located on the second floor and splendidly embellished with roof beams. It contains a precious stock of books and is perfectly appropriate for smaller meetings and as an additional side room during larger conferences.

SEMINAR ROOM EDUARD PESTEL

EDUARD PESTEL is the third seminar room in the attic of VILLA RISSEN. With its sound- optimised architecture it is also perfectly suitable for medium-sized presentations or as an additional work room.

MAX-BÖTTCHER-SAAL

With its size of nearly 100 m² the MAX-BÖTTCHER-SAAL in annexe is our second-largest conference room. It is located adjacent to our villa and is lengthways constructed with open panorama windows and a terrace all around. Our guests utilising this seminar room can enjoy their coffee breaks either in the villa, on the terrace or in the room itself.

KARIN-FISCHER-SAAL

With an event area of 122m² the KARIN-FISCHER-SAAL is our largest conference room. It has a high ceiling and large windows on two sides. The plenary room can accommodate different seating arrangements for up to 180 people.
